# Welcome, Guests!

We are grateful that you have remembered the Sabbath to keep it holy.

**We believe the Lord led you here.**

***We welcome little children as we worship! In respect for others, you may bring your child(ren) to our well equipped, staffed nursery during the service. Our speaker system provides excellent audio of the service in the Narthex and nursery.*** —*Thank you*

***Here at Faith Community Lutheran...***we almost always follow the traditional order of worship familiar to most Lutherans, but usually our services are a "blend" of old and new music. As Lutherans, we view ourselves as a church of "Word & Sacrament." Therefore, "God's Word" is held in high esteem as we follow the Scripture readings and the sermon with our Bibles open.

FCLC is among a growing number of Lutheran Churches committed to celebrating the Sacrament of Holy Communion every week, including the baptized of all ages. We are among a growing number of Lutheran Churches that have committed to celebrating the Sacrament of Holy Communion every week. All who wish to be fed in their Christian faith, and those who wish to express their faith for the first time, are more than welcome to join us in the sacrament of Holy Communion. Children of all ages may receive the sacrament! However, if parents prefer, small children may receive a grape given with the words, "Welcome to the Lord's Table." As we begin our worship, all are invited to "examine themselves" (1 Cor.11:28) during the Confession as we prepare to receive the Word and Holy Communion.

## Pentecost 4 and Father's Day Weekend

### June 19 & 20, 2010

Constant Witness  
Luke 8:35b-39

“When they came to Jesus, they found the man from whom the demons had gone out, sitting at Jesus’ feet, dressed and in his right mind; and they were afraid.” Does that seem like a strange reaction? A perverse reaction? They were so afraid that they asked Jesus to leave them. Where is their compassion? Can they not find joy that their neighbor’s agony is ended?

But they are right to be afraid. They have witnessed a terrifying power. What if He means to remove *their* demons, too? Life was more comfortable with the demon-possessed man raving among the tombs, and no one challenging “the way things are”. As long as the demon-possessed man was there, they all looked pretty good by comparison. Who was going to bother them? But in the quiet that followed the expulsion of the demons, suddenly they didn’t look so good.

They asked Jesus to leave. He obliged them. But he left the healed man behind, a constant witness to His power and love. We can ask Him to leave, but apparently we are never safe from the challenge of His powerful redeeming love. Thank God for that.
